**2011 Special Education Employment Contractor Lehigh University Transition Services Used A Student [ my daughter ] For [Sex Trafficking](#) In Exchange For Judicial / Police Favor while I was suing them in federal court Kraemer v. Pennsylvania 10-cv-4868**

[01/28/2011](#) [Doc. 95] After *Kraemer v. Pennsylvania* EDPA 10-cv-4868 was transferred to NJ Republican Federal Judge William J. Martini defendant Lehigh University Transition Services an employment contractor for the mentally retarded and the primary pecuniary recipient of federal judge applicant Judge Edward Smith's silent approval of genetic mental retardation billing code ICD-9 MR317 they were illegal using to treat my daughter Emilie began taking my daughter behind Magistrate District Court [No. 31-1-06](#) in Bethlehem PA where she was trafficked to a "judge friend" by Lehigh in exchange for judicial and police favors—access to my business computers and apartment cameras in New York.

During weekend visitations with my daughter, while my federal complaint was in progress, the anonymous judge friend explained to me through Emilie he had subpoena power, explained what e-mails he was looking at, looking at my ex-girl friends, and had access to my apartment building security. They let me know they had access to it by having Emilie call me after I entered the apartment. I never learned the identity of this judge until **06/01/2022** when I found out he killed himself after filing a **06/05/2017** federal Motion To Show Cause seeking the identity of the Judge behind Magistrate District Court [No. 31-1-06](#).

SUICIDE OF PA MAGISTRATE DISTRICT COURT [No. 31-1-07](#) JUDGE ROBERT HALAL

04/21/2017 I opened SDNY 17-cv-2910 Kraemer v. Edelstein

04/21/2017 I opened SDNY 17-cv-2913 Kraemer v. The State of New York

1. 04/21/2017 my laptop was stolen about an hour after opening the federal lawsuits.

It had [interviews](#) of my daughter Emilie talking about what special education employment contractor Lehigh University Transition Services staff were doing with her taking her to parking lots to meet her judge friend and burning her with cigarettes.

2. [04/22/2017](#) my U.S. Mail was redirected to a party, my ex-wife's Amy DeRaymond's former address [123 Vista Drive](#) Easton PA via a change of address form. The mother knew they were taking Emilie to parking lots. I find out [6/29/2017](#).

[ [12/21/2006](#) My ex-wife Amy DeRaymond, her father attorney Ray DeRaymond, a municipality solicitor steered my daughter's \$255,000 comprehensive education funding for college ordered by the PA State Appeals Panel to Lehigh University Transition Services mental retardation employment training and placement service. ]

3. [06/05/2017](#) I filed a Motion to Show Cause for Edelstein my landlord, to pay me. [see para 25-29] It promised a separate show cause motion on the subject of my daughter's trafficking in parking lots:

"17-cv-2910 is the first of three show causes I intend to file... Personally, [17-cv 2913](#) out of all my lawsuits [ I opened 3 ] is the most important as the egregiousness of it centers on the action of public officials and law enforcement who deliberately trafficked my daughter."

4. [2:30 PM](#) THAT AFTERNOON BETHLEHEM PA MAGISTERIAL DISTRICT JUDGE ROBERT HALAL OF COURT [# 31-1-07](#) COMMITTED SUICIDE.

*Suffering from anxiety and depression he killed himself with a shotgun blast to the head.*

5. **06/05/2017** Pro Se clerks withheld my motion from the federal docket and I had to make a [special request](#) to post it.
6. **06/06/2017** The BACKUP DRIVE to the laptop was stolen at CVS 300 Park Ave South using private security cameras. It contained interviews of Emilie and her experience in cars, judge-friends, etc. CVS was implicated as it dispensed sedatives without a prescription also connected to Emilie's contraction of an STD from a parking lot client while in the care of Lehigh Transition Services.
7. [06/08/2017](#) Federal clerks posted my 06/05/2017 motion after resubmitting it and complaining about it [06/07/2017](#)—three days after Judge Halal committed suicide.  
**Short circuiting any connection to be made by the media.**
8. [06/29/2017](#) I discovered my U.S. Mail was redirected to an Easton PA party the day after I opened my federal complaints 04/22/2017. **3 TIMES** SDNY Pro Se clerks sandbagged my Temporary Restraining Motion—failing to post it to the federal docket. SDNY federal Pro Se clerks deliberately concealed the PA defendant's criminal activities requiring me to get a supervisor to post my motion to the federal CM/ECF.
9. 06/17/2017 17-cv-2913 Dismissed
10. [09/19/2017](#) 17-cv-2910 Dismissed [Doc 14](#).
11. Pursuant to State v. Mann, 132 N.J. 410, 423 (1993), “a trial court ordinarily should hold an [N.J.R.E. 104(a)] hearing to determine whether evidence of a defendant’s suicide attempt is sufficient to support a reasonable inference that the suicide attempt was prompted by a

desire to avoid the ordeal of prosecution and punishment or was otherwise evidence of consciousness of guilt.”

12. **06/01/2022** I discovered that Judge Robert Halal of District Court 31-1-07 killed himself with a shotgun blast to his head the same day I filed a Motion to Show Cause on [06/05/2017](#) in the SDNY seeking the identity of the anonymous judge with subpoena power **Lehigh University Transition Services** began sex trafficking my daughter to in a parking lot behind Bethlehem PA District Court 31-1-06 in *after* my federal lawsuit against them and 49 other defendants for *Kraemer v. Pennsylvania* EDPA 10-cv-4868 was transferred [01/25/2011](#) to former Republican Congressman Judge William J. Martini of N.J. the day after President Obama appointee [Charles Oberly](#) took office as Delaware U.S. Attorney. [ My case was assigned a Delaware U.S. Assistant Attorney [Patricia Hannigan](#) ]

13. Throughout the federal action 12 officers of the Court willfully, knowingly concealed from the Court and the Delaware U.S. Attorney that **2011 Republican federal Judge applicant Edward Smith silently** approved a bogus genetic mental retardation billing code [ICD-9 MR317](#) sending business [ Emilie ] to special education employment contractor for the mentally retarded **Lehigh University Transition Services** SELLING Emilie into a condition of involuntary servitude proscribed by 18 U.S.C. § 1584—slavery.

14. 06/01/2022 I checked my court history record for 06/05/2017 and found many overt acts and relevant conduct to a central RICO conspiracy objective as per § 1962 (d) **that made little sense 2017— but made perfect sense 06/01/2022** once Judge Halal’s suicide was factored in:

04/21/2017	Open SDNY 17-cv-2910 Kraemer v. Edelstein
04/21/2017	Open SDNY 17-cv-2913 Kraemer v. The State of New York

- [06/27/2017](#) Pro Se clerks failed to post my TRO 3 times. Supervisor posted it.

15. I found at least 7 overt acts involving NYPD, and Pro Se clerks spoiling ESI and corruptly influencing federal pro se clerks to suppress my motions starting the day Judge Halal killed himself. **Concealing** from the public any connection between my motions and the federal action in connection to Judge Halal's suicide. Between 06/01/2022 to 06/29/2022 I prepared a press release and published it to my website [kraemerinc.com](#) Things became life threateningly violent very quickly.

16. [CHRONOLOGY](#) of NYPD/CNY ESI evidence spoliation and destruction.

27. 7/24/2022 [8:30 AM](#) stun gun attack injuring my back.
28. 7/24/2022 10:15 AM A provocateur at Dunkin Donuts 815 10th Ave. New York, NY first identified himself as part of the union assault gang using standard nomenclature they all adopted the moment I walked in.
29. 7/24/2022 10:35 AM he got up and reminded me about my previous stun gun attack injuring my back an hour earlier while sleeping on a bench in Columbus Circle.
30. The threat was **specifically** for making discovery on my laptop and adding it to the press release concerning the suicide of Judge Robert Halal: N.J. Supreme Court ruling [State v. Mann](#), 132 N.J. 410, 423 (1993) “a trial court ordinarily should hold an [\[N.J.R.E. 104\(a\)\]](#) hearing to determine whether evidence of a defendant’s suicide attempt is sufficient to support a reasonable inference that the suicide attempt was prompted by a desire to avoid the ordeal of prosecution and punishment or was otherwise evidence of consciousness of guilt.”
